Damage waiver: Damage waiver is automatically added to all rentals. It is currently 8% of the rental cost and relieves the renter of responsibility for all damage to the rental equipment except that caused by abuse, mysterious disappearance or fire damage regardless of cause. Damage waiver can be declined but then the renter is responsible for all damage that occurs to the equipment minus normal wear and tear. If damage waiver is declined, we must be furnished with evidence of insurance that will provide coverage for rented equipment.
